**Duncan Green : Faces of Latin America: Updated** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Faces of Latin America: Updated:

0 of 2 people found the following review helpful. Poor writing passed off as "academic" . . .By LadyHoozerI got this book for a class last semester and was absolutely appalled by the poor quality of writing. Sometimes even basic grammar is overlooked. There is also an extreme bias to the writing which is often hard to get past.0 of 3 people found the following review helpful. Face of Latin AmericaBy Tasha DuncanThe book was needed for my Social History of Latin America and it was marked as "used". There was some writing in it, but overall the condition of the book was good. The price was good as well. Much cheaper than my local bookstore.0 of 3 people found the following review

helpful. Faces of Latin America By C. M. Billiter Purchased for a Spanish / Latin American Culture college course - saved around \$40 buying from vice the college book store. Packaged well, shipped fast, as described, works GREAT! Thank you for a great buying experience!

"Simple, unpretentious narrative makes this volume an accessible and inviting source for nonspecialists. Its many photographs enhance the appeal of the book and provide the faces referred to in the title. Throughout the volume, framed insets open up the text to provide an occasional 'window' for a statistical table, a biographical sketch, or to give voice to a first-person narrative that humanizes the text."--Multicultural Review

Praise for Previous Editions A sparkling and elegant primer. Far and away the best overall introduction to the subject.-History Workshop Journal The best introductory book going on Latin America. An invaluable resource.-International Affairs Simple, unpretentious narrative makes this volume an accessible and inviting source for nonspecialists. . . . The book achieves its intended purpose.-Multicultural About the Author Duncan Green is Head of Research at Oxfam. He has worked as a teacher, journalist, and researcher throughout Latin America. He is the author of many books; his most recent one is From Poverty to Power. Duncan lives in Brixton, South London, with his wife, two children and two cats.
