I have used this to make lists of things to bring, cook, buy, prepare for, etc. to make my camping with kids successful and so fun. She give you 'hacks', ideas of things to find at yard sales, thrift stores, etc. keeping you well within a tight budget. Don't miss this book! Enjoy Beverly's humor, wit and wisdom! 5 of 6 people found the following review helpful. Wonderful book for families By A Customer I have had this book for ten years, and it has been a wonderful resource for my family. The book covers everything from finding equipment, food, first aid, and recreational activities. Miss Liston provides gentle, motherly advice to the novice family camper. A lovely book.

Organized by topical sections, this encyclopedic book includes essential information on which gear and equipment is crucial for a successful trip, how to pack the car appropriately so that the road trip is as much fun as the camping trip,

and more.
