DK Travel : Family Guide Italy (DK Eyewitness Travel Family Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Family Guide Italy (DK Eyewitness Travel Family Guides):

0 of 0 people found the following review helpful. Great guide book By BookWorm Great guide book. Excellent source when we traveled with three young teenagers. We ripped out the parts for each city we visited and the kids enjoyed reading ahead as we traveled. Very accessible for them while still be a great resource for us while planning.

"These books are packed with suggestions for kid-friendly restaurants, outdoor spots where travelin' tots can run free, rainy day fun, and more. They also offer tips for engaging your child's mind and sense of wonder at every stop." Scholastic Parent Child "What makes this series unusual is the attention to detail. Yes, all the big sights are here, but even the famous places are given a slight twist always with children and their parents in mind." Chicago Tribune "For families traveling with young people, it's hard to do better than this handsomely illustrated guide, which is arranged geographically and notable for its focus on family friendly activities."
