DK Travel : Family Guide London (DK Eyewitness Travel Family Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Family Guide London (DK Eyewitness Travel Family Guides):

0 of 0 people found the following review helpful. Great for By EmilyS This guide was great for our recent London vacation with our two kids (ages 6 and 8). I had purchased a couple regular guides before finding this family guide and realizing this was best for our needs. I kept it in my purse, along with a separate street and tube map, the entire trip and

we used it on the fly more than once to find other things to do near wherever we found ourselves on a given day. The biggest highlight for me was the "places to let off steam" sections. Honestly, in the end, I think we had as much fun exploring London's playgrounds as we did the historic sites!

Excellent for young families!
By Slywood
Perfect for our family trip w kids aged 5, 8 9. The pictures, descriptions and useful info were spot on for us. We knew the sites we were going to see and this book was the perfect supplement to give us info on attractions and details. It was easy to use on the fly. Having the hours and even where the nearest restrooms were located was so useful. I am going to covert to the Family Guide for any of our future near term travels.

0 of 0 people found the following review helpful. Great but with a major problem
By Albert A.
This is an excellent summary for sightseeing London and for taking trips outside like Windsor and Hampton Court etc. The one screw_up big time is the Price of Entry usually 50 pounds (\$75) which can only mean per family???? There is no explanation the admission price, some places like the National Art Gallery are free I believe. On this failing I rate it 3 out of 5. Hope the publishers take note.

A family-focused guidebook to London for traveling with children ages 4 to 12.
DK Eyewitness Travel: Family Guide London gives parents with children ages 4 to 12 the specific, family-friendly information they need to plan a vacation to a city with an abundance of history, outstanding museums, unrivaled theater, and beautiful parks. Go treasure hunting at the Foundling Museum, ice-skating at Somerset House, and explore can't-miss sights such as St. Paul's Cathedral and Westminster Abbey.
What's inside: Each major sight is treated as a "hub" destination, around which to plan a day. Plus, DK's custom illustrations and reconstructions of city sights give real cultural insight. "Let off steam" suggestions and eating options around each attraction enable the entire family to recharge. Maps outline the nearest parks, playgrounds, and public restrooms. "Take shelter" sections suggest indoor activities for rainy days. Dedicated "Kids' Corner" features include cartoons, quizzes, puzzles, games, and riddles to inform and entertain young travelers. Listings provide family-friendly hotels and dining options. Written by travel experts and parents who understand the need to keep children entertained while enjoying family time together, DK Eyewitness Travel: Family Guide London offers child-friendly sleeping and eating options, detailed maps of main sightseeing areas, travel information, budget guidance, age-range suitability, and activities for London.
Series Overview: For more than two decades, DK Eyewitness Travel Guides have helped travelers experience the world through the history, art, architecture, and culture of their destinations. Expert travel writers and researchers provide independent editorial advice, recommendations, and reviews. With guidebooks to hundreds of places around the globe available in print and digital formats, DK Eyewitness Travel Guides show travelers how they can discover more.
DK Eyewitness Travel Guides: the most maps, photographs, and illustrations of any guide.

.com A Look Inside Eyewitness Travel Family Guide: London (click on images to enlarge) "These books are packed with suggestions for kid-friendly restaurants, outdoor spots where travelin' tots can run free, rainy day fun, and more. They also offer tips for engaging your child's mind and sense of wonder at every stop." Scholastic Parent Child
"What makes this series unusual is the attention to detail. Yes, all the big sights are here, but even the famous places are given a slight twist always with children and their parents in mind." Chicago Tribune
"For families traveling with young people, it's hard to do better than this handsomely illustrated guide, which is arranged geographically and notable for its focus on family friendly activities." Library Journal
