**DK Publishing : Family Guide Paris (Eyewitness Travel Family Guide)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Family Guide Paris (Eyewitness Travel Family Guide):

0 of 0 people found the following review helpful. Very helpful details for familiesBy CustomerThis was a very helpful guide as we planned our first trip to Paris and once we were there and wanted to change up our plans a bit. We have teenagers, and this is aimed more at families with younger children, but we relied on it heavily because of the great detail with each item, like which Metro stop is closest to each attraction, and what else is nearby. ... I'll quibble with

only one item mentioned in the book. Because this book included Les Egouts (the Paris sewer museum), we went there. The book failed to mention the incredibly foul odor and just how much raw sewage you're actually looking at during this tour, ugh! (I was expecting more history, and perhaps a sectioned-off area of the sewer system, and not the working part). Other than that, everything we visited was described accurately in this guide and we relied on it heavily. 0 of 0 people found the following review helpful. Great travel book. By Denali Wali I got a couple of Paris travel books, but opted to leave them at home and brought just this one. It worked great to find things to do for 10 and 13 yr old. I even bought a London one afterwards for another trip. 0 of 0 people found the following review helpful. The nice thing about Paris is they have a lot of ... By Customer We went to Paris and had 2 children with us 2 years and 3 years and this was a helpful book. The nice thing about Paris is they have a lot of parks and play equipment in unexpected places. I recommend this book if you are going to Paris with or without kids it has a lot of helpful information.

Spend more time sharing the experience of exploring a new place with those you love most with the Family Guides from DK Eyewitness Travel. This new guidebook series gives parents with kids between the ages of four and twelve the insider background they need to plan vacations that everyone in the family will enjoy. 'Hubs', built around major sights Dedicated 'Kids Corners' feature cartoons, quizzes, puzzles, games and riddles to inform, bamboozle and entertain young travelers 'Let off steam' suggestions and eating options around all 'hubs' enable the entire family to recharge their batteries Maps outlining the nearest parks, playgrounds and public toilets Language section lists essential words and phrases 'Take shelter' suggests indoor activities for rainy days Plus, DK's illustrations and reconstructions of the city, to give real cultural insight Written by parents who understand the need to keep the children entertained while enjoying their time together, Eyewitness Travel Family Guides offer child-friendly sleeping and eating options, detailed maps of main sightseeing areas, travel info, budget guidance, age range suitability and activities for Paris. .com A Look Inside Eyewitness Travel Family Guide: Paris (click on images to enlarge) "These books are packed with suggestions for kid-friendly restaurants, outdoor spots where travelin' tots can run free, rainy day fun, and more. They also offer tips for engaging your child's mind and sense of wonder at every stop." Scholastic Parent Child "What makes this series unusual is the attention to detail. Yes, all the big sights are here, but even the famous places are given a slight twist always with children and their parents in mind." Chicago Tribune "For families traveling with young people, it's hard to do better than this handsomely illustrated guide, which is arranged geographically and notable for its focus on family friendly activities." Library Journal
