J W Patrick : Family Travel Journal (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Family Travel Journal (Volume 1):

Switch off the screen and start the conversation! The handbag-friendly Family Travel Journal is a family conversation starter packed with questions, quizzes and games to get your whole family looking, learning, laughing and talking TOGETHER while travelling.

From the Author I am JW Patrick and live in the Scottish Borders.
