tk : **FamilyFun Vacation Guide: New England** before purchasing it in order to gage whether or not it would be worth my time, and all praised FamilyFun Vacation Guide: New England:

1 of 1 people found the following review helpful. So so, but not everything I had hoped for
By J. MEYERS
We just got back from our New England trip and used this book as much as possible. While it had some useful items, overall we found the AAA Guide more useable and helpful. This text was out of date on some items (the LL Kids no longer exists, we discovered, after a drive to Freeport, ME) and for many others it exaggerated its "wow" factor. It also doesn't distinguish between places for small toddlers (the Portland, ME children's museum which my 4 year old loved) versus older kids (like my 10 year old who was board at the Portland musuem). Places are identified by address and phone only (no directions), the maps are difficult to use as they only show parts of each state (be sure to get a New England road map from AAA). Also, the restaurant recommendations are good for the most part only if you are looking for standard kids menu fare, i.e., chicken nuggets, etc. Our kids want better food, e.g., lobster while in Maine, and so we had better luck on our own (or from recommendations from the "locals", like ordering take out lobster cooked at Bayleys in Old Orchard Beach and eating it back at our condo (with our own side dishes) and in a more relaxed state than we could ever have at a restaurant with 3 kids. While I wouldn't discourage you from getting it since there are some helpful ideas, don't expect to rely on it as your primary tour book.

11 of 11 people found the following review helpful. Great book!
By A Customer
I bought this book because are planning a trip to Cape Cod. It was very informative and answered all of my questions. I highly recommend it if you have children because it offered hints and tips about traveling with children, price ranges for each activity and things you should not miss while in each vacation spot. The only reason I gave it 4 stars instead of 5 is the format. Sometimes a "hint" or description of a place would start in the middle of a page that was describing something else. It was a bit confusing at first. Otherwise it was well written and informative. I feel prepared to leave for Cape Cod (or any New England spot) today!!

By E. Herrera
I have read this book cover to cover and absolutely love it! I am in the process of planning our summer vacation; this book is so informative and helpful. I am looking forward to a GREAT summer vacation with my family. I'll let you know....

- Take an aerial tramway to the top of the Franconia mountain range in New Hampshire. - Sample the goodies on a Ben Jerry`s ice-cream factory tour in Waterbury, Vt. - Learn to kayak at L.L. Bean Children`s Discovery School in Freeport, Maine. - Track a T-rex at Dinosaur State Park in Rocky Hill, N.C. - Travel with the Pilgrims at Plimoth Plantation in Plymouth, Mass.
