Urska Pajer, Lonely Planet Phrasebooks : Fast Talk Slovene: Essential Language for Short Trips (Lonely Planet) (English and Slovene Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fast Talk Slovene: Essential Language for Short Trips (Lonely Planet) (English and Slovene Edition):

0 of 0 people found the following review helpful. Bare Essentials for Short Trip By Frank Voice Not really the kind of book you would want to depend on for a trip where people speak a language so terribly different from your own. A great many people in Slovenia speak English. 4 of 5 people found the following review helpful. Comprehensive guide,

did not really have to use howeverBy Knud A. HermansenAlthough it speaks sadly of my language skills, I found that I really didn't need much more than the Slovenian in the main Lonely Planet guide to Slovenia. Most Slovenians speak English and almost half of the songs I heard on the radio and at concerts there were in English. While I a firm believer in trying to learn the language and culture of the places that one visits and lives, for short trips, you probably do not need this book.4 of 4 people found the following review helpful. Got us by in SloveniaBy Jeremy J. PottsWe visited Slovenia for five days recently and this book was useful for sharing common curiosities (i.e., please, thank you, hello) and deciphering menu items. It's very small and was easy to take along in a pocket or purse. Many people in the larger towns and cities speak English and most signs, menus, etc are translated in English but it was nice to be able to learn a few phrases in Slovene to show our appreciation to the people we met.

When time is short, Fast Talk Slovene gives you the essential language to:-do the sights shop till you drop-book a room order a meal-get from A to B fast-clinch that crucial deal-get your message across Includes easy pronunciation of all words and phrases plus a mini dictionary of key words. Lonely Planet's Fast Talk series provides you with all the basics for a short trip or weekend away in a practical pocket-sized format, making sure your stay is fun, easy, and hassle free.

these smart and exhaustively researched guides have become the gold standard for serious, independent travelers.' -- San Francisco ChronicleFrom the PublisherWho We Are At Lonely Planet, we see our job as inspiring and enabling travellers to connect with the world for their own benefit and for the benefit of the world at large. What We Do * We offer travellers the world's richest travel advice, informed by the collective wisdom of over 350 Lonely Planet authors living in 37 countries and fluent in 70 languages. * We are relentless in finding the special, the unique and the different for travellers wherever they are. * When we update our guidebooks, we check every listing, in person, every time. * We always offer the trusted filter for those who are curious, open minded and independent. * We challenge our growing community of travellers; leading debate and discussion about travel and the world. * We tell it like it is without fear or favor in service of the travellers; not clouded by any other motive. What We Believe We believe that travel leads to a deeper cultural understanding and compassion and therefore a better world.
