12 of 13 people found the following review helpful. Great pictures and comments. Incredible insight. By Machucado (agentamp@internet.bnv.co.cr) The authors give a through explanation of what is like to surf in Indonesia. Great pictures and nice descriptions of all the breaks. Well prepared and gives good and reliable advice on the whole surfing experience. I found that more explanations were needed on the less known places of Indonesia, Still a great book to have.
