E.F. Norton : Fight for Everest 1924 before purchasing it in order to gage whether or not it would be worth my time, and all praised Fight for Everest 1924:

0 of 0 people found the following review helpful. ExcellentBy Travis R HawverA great read and look back at the early expeditions. Fun for climbers, outdoor enthusiasts, and those who champion the human spirit of adventure.

By 1924, two attempts had been made to climb Mount Everest. The first expedition was basically sought to locate a route onto the mountain. The second expedition was the first true attempt to climb the great summit. In 1924, armed with greater knowledge and better preparation, a new team set out once more for the Rongbuk glacier and the peak above, and this is the gripping narrative of it.
