**National Geographic Maps - Adventure : Fish River Canyon and the Richtersveld [South Africa and Namibia] (National Geographic Adventure Map)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fish River Canyon and the Richtersveld [South Africa and Namibia] (National Geographic Adventure Map):

Waterproof Tear-Resistant Travel Map National Geographic's Fish River Canyon and the Richtersveld Adventure Map is a complete travel guide for adventure travelers exploring these unique areas in southern Africa. This expertly researched map delivers unparalleled content, unlike any traditional road map. The map's front side has extensive detail of the area, including topographic information, a detailed road network with distances, including 4x4 routes, hiking trails and pinpointed campsites, chalets, visitor centers and scenic viewpoints. Also included are overviews of Richtersveld National Park and Fish River Canyon and information about each one's trail system. In addition, there is a regional map of Luderitz Peninsula and local maps for Kolmanskop, Keetmanshoop and Springbok. The reverse side covers the entire region, from Springbok in South Africa to Aus in Namibia, with descriptions of many points of interest. Included in this area are the Orange River, Gondwana Canyon Nature Park, Naute Recreation Area and the Sperrgebiet. This broader map has an index of towns and a travel network of roads with distances, including secondary and 4x4 routes, along with border crossings, railway lines and landing strips. Cultural, historical, ecological and recreational points of interest are clearly labeled, including many hidden gems. Every Adventure Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of international travel. Map Scale = 1:476,000 Sheet Size = 37.75" x 25.5" Folded Size = 4.25" x 9"

Regarding National Geographic's Panama Adventure Map: "This map will fill a real need for practical and accurate information for the sophisticated globe-trotting tourist...[this] map will be part of every informed tourist's luggage from now on." --U.S. Ambassador to Panama, William A. Eaton About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
