Four StarsBy John C CunninghamMy grandson loved it!0 of 0 people found the following review helpful. Tom Seymour is a great writer and experienced outdoorsmanBy jwTom Seymour is a great writer and experienced outdoorsman. I've learned a lot through his work through the years and only wish I had known about this book sooner. Highly recommended for anyone wanting to experience some of Maine's vast fishing opportunities ! I just bought a second copy for my brother, because I am not loaning this one out !

Fishing Maine contains detailed information about more than 80 fishing hot spots around the state. Each site description includes the species present; the best times to fish; tips on lures, flies, bait, tackle, and techniques; access information; maps and photographs; and more. A special illustrated section describes the habits, habitats, and best ways to fish for Maines huge variety of gamefish.A registered Maine Guide and Maine resident, Tom Seymour writes three regional outdoor columns; special features for The Maine Sportsman, New Englands largest-circulation outdoor publication; and articles for Maine Fish and Wildlife magazine. * B/w maps and photographs* The only guide to include all-tackle methods and techniques* Ideal for bait fishers and fly fishers

From the Back CoverMaine has long been one of the Easts finest destinations for all sorts of quality fishing in pristine surroundings. You can catch lunker smallmouths from a wilderness lake; gorgeous brook trout from a crystal-clear mountain stream; trophy brown trout just a stones throw from a major city; and striped bass, mackerel, and bluefish along the coast. With so many spots for top fishing, knowing where to go and how to get there is information you need to have at your fingertips. So whether youre a first-time visitor or a lifelong resident, youll find Fishing Maine an indispensable companion.Inside are detailed descriptions of more than eighty fishing hot spots around the state. Each site description includes the species present; the best times to fish; tips on lures, flies, bait, tackle, and techniques; access information; and highly useful maps and photographs. Everything you need to plan a Maine fishing trip is here, whether youre heading out for a week in the wilderness or an hour on a local pond.Find out what many Maine residents have known for yearsfor the best fishing in the East, you have to go north.
