A Modern Quest for an Ancient Remedy....If you enjoy a fast-paced read and a true story, *Five Weeks in the Amazon* is the book for you. It's an honest story filled with peaks of humor and valleys of despair. Author Sean Michael Hayes has written a book that many would put on their shelf next to Cheryl Strayed's blockbuster success, *Wild*. His adventure took him into the middle of the jungle alone, but Hayes unique writing style makes the reader feel as though they are right there with him. *Five Weeks in the Amazon* is filled with Hayes thoughtful solutions to many of the common problems we all share. Find out now if this Canadian backpacker uncovers the answers he searched for while living with a shaman in the Amazon jungle.
