**Flora Tristan : Flora Tristan: Peregrinaciones de paria** before purchasing it in order to gage whether or not it would be worth my time, and all praised Flora Tristan: Peregrinaciones de paria:

In the first half of the 19th century, Flora Tristn was a leader in the European and American movements for women's rights and labor unions. She was also painter Paul Gauguin's future grandmother. A self-proclaimed pariah, she denounced the abuse of women and workers through her lucid discourse. This publication of her memoirs marks the

the 200th anniversary of her birth.

About the Author Flora Tristan was a defender of the rights and freedom of the working class and women. She is the author of *A Letter Selection* and *Promenades in Paris*.
