I didn't think it was detailed enough to get around on the streets. I found the paper tourist maps given out by the hotel at check in to be easier to use around town. 0 of 0 people found the following review helpful. Best map ever By ASlalomskier We recently went on a trip to Italy, and I got these maps in case our phones gps did not work overseas. I am glad that I got them, because they came in handy. They fold up super quick and are small enough to fit in your pocket. 1 of 1 people found the following review helpful. Cheap insurance and lots of information By Combat Medic I have traveled around the world and love these little maps. They easily fit in a pocket and open for use. I usually mark my hotel on the map and can easily figure where I am. This is a great backup and cheap insurance - especially when your phone goes dead. the maps also have information on sites, train station, and spots of interest. There are 2 maps of Florence, one of a larger regional map around Florence, and one of Pisa.
