I really needed something more current for my work with the Civil Air Patrol, but the description did not state its age. Let the buyer beware! I eventually was able to purchase a new one at WalMart.10 of 11 people found the following review helpful. florida atlas gazetteerBy Duke JohnsonFor finding places in Florida of great outdoor excitement and fun , you cannot beat this publication. Golf courses, lakes,boat ramps, parks,historical sites,beaches and best of all, secondary roads that will take you to these interesting places in the far corners of Florida. This is the most interesting and informative atlas that I have ever owned.0 of 0 people found the following review helpful. Great mapBy Art TeacherDelorme's are on the large side but are so detailed - great for traveling! I look forward to using it this month!

DeLorme's Atlas and Gazetteer Series is America's most popular line of recreational maps Each atlas covers an individual state in its entirety with detailed, full-color topographic maps. Detail includes back roads, hidden lakes, boat ramps, hiking trails, campgrounds, public lands, forests, wetlands and more. And, the Gazetteer sections feature page after page of information on places to go and things to do. These atlases are year-round favorites with outdoors

enthusiasts and anyone who likes to leave the main roads behind.
