**Editora online : FLORIPA - Santa Catarina Island (Brazil) Visitor's Map (Spanish Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised FLORIPA - Santa Catarina Island (Brazil) Visitor's Map (Spanish Edition):

0 of 0 people found the following review helpful. Good detail on the islandBy Greg SherwinA good roadmap for Santa Catarina Island. Some limited detail within Florianopolis itself, but good detail about the tourist sites and beaches around Santa Catarina island. Also some basic highway-level map detail on some of the Santa Catarina state itself.Ignore 's product title: they're too clueless to recognize that it's all in Brazilian Portuguese and not a "Spanish Edition" as it says in the product title.

Detailed visitor's map of Ilha de Santa Catarina in the Santa Catarina state of Brazil. The island is popular for its Mediterranean-like atmosphere, it is a great holiday destination. The map also includes insets of street plan of central Florianopolis and a regional access map to the island. There is a listing of places to stay, eat and of entertainment as well as extensive listing of beaches. All in Portugese.
