Dana Facaros, Michael Pauls, Philippe Barbour : Flying Visits: France: Great Getaways by Budget Airline, Train Ferry before purchasing it in order to gauge whether or not it would be worth my time, and all praised Flying

Visits: France: Great Getaways by Budget Airline, Train Ferry:

France may be the world's most popular tourist destination, but it's incredible how many hidden corners there are yet to be discovered. So where can travelers get to within a couple of hours, and what is there to see? Cadogan's handy guide to France's short break options--Toulouse, Limoges, Poitiers, Brest, Nmes, Dijon, and many more--looks in detail at the towns and cities now directly accessible by air, rail, or sea; and takes visitors on into the surrounding areas, with day trips, overnights, and longer excursions to Burgundy vineyards, Breton beaches, Loire chateaux, Provenal villages, and Alpine heights.

"These guides are beautifully produced and a delight to read and own."--Living France Magazine (UK)"Reliable, informative, entertaining (on France)."--The Sunday Times (UK)"The Cadogan series of guidebooks is superb--comprehensive, intelligent, practical and well-written."--Washington Times (US)
