Dana Facaros, Michael Pauls : Flying Visits: Italy: Great Getaways by Budget Airline before purchasing it in order to gage whether or not it would be worth my time, and all praised Flying Visits: Italy: Great Getaways by Budget Airline:

No trip to Europe would be complete without a visit to Italy. The guide uncovers all the destinations now accessible by direct flight--Turin, Bergamo, Brescia, Trieste, Genoa, Ancona, and many more--and takes travelers on into the surrounding areas, with day trips, overnights, and longer excursions to the Valle d'Aosta, Lake Maggiore, Veneto villas, the Lunigiana, the Rimini coast, and the Apennine foothills. The guide provides all the practical information necessary for a smooth trip, and makes the lesser-known towns more easily accessible than ever before. Now there are no more excuses--just go!

"Italy by Dana Facaros and Michael Pauls is an absolute gem of a travel book, humorous, informed, sympathetic, as irresistible as the land itself."--The Sunday Times (UK)"The Cadogan Guide to Italy is the most massive, literate and helpful guide... in years."--International Travel News (US)"It's difficult to imagine any question that cannot be answered by this comprehensive volume (on Italy)."--Travelscene International (US)
