**Fodor's Travel Guides : Fodor's Around London with Kids (Travel Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fodor's Around London with Kids (Travel Guide):

5 of 5 people found the following review helpful. A must-have addition to your London travel guidesBy carb101Every good travel guide tells you about the biggies - The London Eye, The Tate, the Tower of London. This book tells you about the flower market, dim sum in Chinatown, great parks, and fun bike rides. Included are tidbits about each place and several restaurant recommendations for each attraction. Thanks to this book, we're looking forward to "the little things" in addition to "the big things" while we're in London this summer.0 of 0 people found the following review helpful. Missing 15 pages in the middle of the book!By CatPhamtasticThis book was seriously awesome... until... I went to read up about a couple of the attractions mentioned in the "Something for Everyone" guide in the front of the book only to find that pages 61-46 are missing were replaced by duplicates of pages 29-14! BTW - pages are numbered backwards, but destinations are in alphabetical order which I found a bit odd, but whatever. So, here I am, IN LONDON, in my hotel w/ my 2 kids, trying to plan out the next few days of our trip w/ activities my trusty guide is missing info. So, I am now stuck going online to look everything up on my own. I don't mind doing a little legwork, but if I was going to go online for all this info, I would've just used one of the online guides altogether instead of buying this book! I love the way the book is set up. There are different "guides"/indexes at the front of the book w/ subtitles for different activities. Then, they list the destinations that fit under each subtitle give you the page number where you turn to that page to read up about the destination - address, contact info, admission costs, hours of operation, tips, eateries there, a bit of an overview of the place how it would be good for kids.So, I was SERIOUSLY disappointed to get a book that was missing some of the "meat." Sad-face for this mom!1 of 1 people found the following review helpful. Not what I expectedBy MoonmomI'm not sure exactly what I was expecting from this book, but I was a little disappointed. I think I was looking for some special information about places that you wouldn't find in a regular guidebook. Truth is, Although the information was good, it wasn't anything unique that couldn't be found

in any other travel guide.

Fodor's Around London with Kids provides both visiting and local parents with 68 fun family activities to do in London, from exploring the London Dungeon and all its gruesome thrills, to learning about brass rubbing (and making your own) at the Brass Rubbing Centre, to getting a birds-eye view of the city from the London Eye. Each activity features practical tips and suggestions for nearby places to eat. Plus, there are games for the kids.

From the Inside Flap For this smart, cheerful little book, Fodor's parent-experts have hand-picked 68 terrific things to do around London with a child in tow from the London Zoo the Sherlock Holmes Museum. Written by parents who live in London, this book is smart about what kids like and about what parents need. It includes all the details for planning (addresses, phone numbers, admission prices, and age-appropriateness); "Hey Kids!" info boxes filled with fun facts; ideas for places to grab a bite to eat nearby; and a cool "Games" section that will keep everyone happily occupied while waiting in line. "Designed to lure even the crankiest young tourists to sites of interest...with a nod toward grown-up sensibilities, too." -- Good Housekeeping About the Author Fodor's helps you unleash the possibilities of travel by providing the insights and tools you need to experience the trips you want. While you're always at the helm, Fodor's offers the assurance of our expertise, the guarantee of selectivity, and the choice details that truly define a destination. It's like having a friend wherever you travel. Resources that you'll want to read as well as reference, our guide books offer current and discerning shopping, dining, hotel, and culture recommendations, as well as compelling features and articles that convey the essence of each destination. And we are confident that we're giving you the best information because our products are written by people who live there. We seek to hire local writers who know their destinations better than anyone else. Our worldwide team of over 700 travel writers bring you the latest, most accurate coverage, and like trusted companions, reveal local treasures and everything you need to know before you arrive.
