Fodor's : Fodor's Around New York City with Kids, 4th Edition (Travel Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fodor's Around New York City with Kids, 4th Edition (Travel Guide):

By Denise I took this book out from the library because the librarian recommended it. I loved it so much, that I bought it. The book gives you all the information you would expect about a place plus travel tips, facts, ages for each attraction and sections "eats for the kids", "make the most of your time" and "keep in mind". My children are 4 and 2 years old, and this book is great for all ages. It will be usefully for many, many years!

By Dana Lam This is a great book. Last summer we spent a month in NYC and we had an older version of this book from the library. So this year we are doing it again and I wanted to purchase the updated version. Its great because it is small so you can take it with you. The previous version indicated if the places had days that were free admission and this version didn't so I am just going to research and write in the days and times that are free.

Muy buena gua
By Mauricio Carrascal Muy buena gua para un viaje a New York con nios. Mis hijos tienen 5 y 7 años y con la gua espero vivir unas vacaciones ajustadas a sus expectativas de nios.
