Suggestions for entertaining kids of all ages and temperaments. Happy that the food options for kids at each place were listed, as well as prices, entry times, and age recommendations.The most important info was highlighted at page tops (great!).EXPERIENCE MUSIC PROJECT was a hit for both our 8 yr old granddaughter and 11 year old, hyperactive grandson!This would be a great resource for parents grandparents who were visiting Seattle for the first time with children.

Each book focuses on 68 terrific ideas for family days, from museums and puppet theaters to skyscrapers and parks. Written by parents who live in the cities they cover, these books are smart about what kids like -- and about what parents need. All the details for planning are included: addresses, phone numbers, admission prices, and age-appropriateness. "Hey, Kids!" info boxes provide fun facts and interesting trivia about the destination, and "Kid-Friendly Eats" features recommend three or four places to grab a bite to eat nearby. Fun to read and easy to use, these handy little guides make it easy to plan an enjoyable, hassle-free day with children in the world's most popular cities.

They're perfect idea books for every city parent and grandparent, and indispensable aids for families on vacation.
