Fodor's : Fodor's Around Washington, D.C. with Kids, 5th Edition (Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fodor's Around Washington, D.C. with Kids, 5th Edition (Travel Guide):

14 of 14 people found the following review helpful. Great guide for families By Dio_K We used this more than the Fodor's Washington DC guide and the Eyewitness Guide. The prices, times, where to eat and Metro stops were easy to find and read. The tips about the best times to get to a specific site and when to buy tickets were great. Our kids are 11 and 8 and the suggestions about what might be interesting to them were spot on. I'd recommend this book to anyone going to DC with kids. 3 of 3 people found the following review helpful. A great DC companion By Sarah Lehman This is a great DC companion if you are going with children. Easily organized with loads of tidbits like if strollers are allowed, where to find kid-friendly food nearby, what Metro stop is closest and how much the attraction costs. Although, most meusums are free. DC is a beautiful, history-rich city and a must-see for every American. You will fall in love with your country all over again--just be prepared to walk. 0 of 0 people found the following review helpful. Better than carrying around brochures!! By Customer This was a great tool. had all the nitty gritty details that helped us plan our visit, plus enough history to give the kids an overview. Loved the little "extra" bits of information about the sites - strangers would gather around to hear me when I was reading them aloud! (example - Abraham Lincolns hands doing sign language.

The Family-Friendly Guide to Everything Washington, D.C. Washington, D.C. is the perfect spot for a fun and educational family vacation.
