**Fodor's : Fodor's Brazil, 5th Edition (Travel Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fodor's Brazil, 5th Edition (Travel Guide):

9 of 10 people found the following review helpful. 4.5 stars... essential reading for a visit to BrazilBy Paul AllaerI recently have come back from a trip to Sao Paolo, Brazil, and in anticipation/preparation for that trip, I picked up this book."Fodor's Brazil (2008 edition)" (587 pages) is an outstanding travel guide. It brings a great overview of the many practical details of visiting Brazil. Just as an example (and I'm probably proving my ignorance here), it wasn't until I

read this book some months ago that I realized that I needed a tourist visa to enter the country (and what a detailed procedural process that turned out to be!). My visit was limited to Sao Paulo, and so I focused on the chapter dealing with Sao Paulo, along with the more general chapters. Now having returned from my trip, I cannot emphasize enough how much on point the 75 page Sao Paulo chapter was, and it really prepared me well for my trip, ranging from what things to be aware of, what things to see, etc. etc. I have no doubt that the other chapters are equally up to the task as well, even though of course I did not visit other places. In all, I readily recommend this travel guide to anyone who is planning to visit Brazil. I had a tremendous time in Sao Paulo, and hope to make it back to Brazil to visit other places (Rio, of course) and when I do, you can bet I will revisit this book. Highly recommended!

Fodors. For Choice Travel Experiences. Fodors helps you unleash the possibilities of travel by providing the insightful tools you need to experience the trips you want. Although you're at the helm, Fodors offers the assurance of our expertise, the guarantee of selectivity, and the choice details that truly define a destination. It's like having a friend in Brazil!
