Fodor's : Fodor's Buenos Aires, 1st Edition (Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fodor's Buenos Aires, 1st Edition (Travel Guide):

1 of 1 people found the following review helpful. Good general guideBy ededwardsUsed this book extensively for week in Buenos Aires. Maps and descriptions mostly accurate, with some lapses always to be expected. Best used in combination with another book that gives more depth coverage about neighborhoods, etc. Would certainly buy this

again, in any case. 1 of 2 people found the following review helpful. Thorough and helpful with some small errors

It's amazing how important it is to get an up-to-date guide book. This book was extremely helpful with great restaurant selections, helpful tips about cabs and insightful history notes. A couple of the addresses were correct as listed, but incorrectly marked on the maps, so beware. And prices had changed slightly, but that's to be expected. All and all, a good bible for a visit to a new city.
