Their recommendations are substandard and the information contained in the book is very limited. I am wondering if they ever visited Chile before they printed this book. If you are looking for a very comprehensive guide book on Chile check out "Chile Experience Travel Guide" ISBN 956-7264-79-17 of 11 people found the following review helpful. Outdated and misleadingBy A CustomerThis book caused us many problems during our visit to Argentina. First of all, it is out of date.....by years. Restaurants no longer exist in one case we were told at least 5 years. Hotels completely changed ownership and management, again many years ago. The monetary system completely changed.
