Fodor's : Fodor's Disneyland Southern California with Kids, 10th Edition (Travel Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fodor's Disneyland Southern California with Kids, 10th Edition (Travel Guide):

0 of 0 people found the following review helpful. My grandson I exited the ride on the very edge of sharing our breakfast with all of the other attendees to the worlds happiest By David J. Symmank Outstanding guide for those that

intend to take an 8-year old to Disneyland only have one day to hit all the important attractions. I found that the suggested sequence of rides was "spot on". Two minor complaints: First, the hint to sit in the back of the log on the Splash Mountain ride was exaggerated. I had the grandson specifically request the seat we were granted the request. The book clearly said you would not get wet if you sat in that seat. Perhaps it was just a problem of perspective it should have read "less wet". I spent the next three hours hoping my clothes would dry out. My second complaint is Space Mountain. A helpful hint may have included "take Dramamine before entering the park". If you have any inclination towards motion sickness (I do not), then this ride is not for you. Skip the mountain. My grandson I exited the ride on the very edge of sharing our breakfast with all of the other attendees to the world's happiest place. Other than those two minor complaints, I found the guidebook well worth the cost I have no idea how we could have had more fun. 0 of 0 people found the following review helpful. Vital for a Successful trip to Southern California's Adventure Parks but a Little Out of Date By Susanne I love this book! I have recommended it to so many other travelers. In this guidebook Michael and Trisa Knight are like neighborhood friends who share inside scoop saving me anxiety and wasted time. The Knights give some excellent tips and tricks for touring Southern California's adventure parks with children of all ages. Yet, the first time I used and fell in love with this Fodor's guide (a much earlier edition), my husband and I were still childless. After children came along we relied on this Fodor's guide for a trip to Legoland and then years later for a trip to Disneyland. In my opinion, to get the most out of Disneyland or any of the other adventure parks in Southern California this is a must read. Sadly, this is the latest edition and it's already three, soon to be four, years old. My husband and I are planning a family trip to Disneyland next year but this is the most up-to-date Fodor guide book I can find. With all the changes the adventure parks go through each year it's a little out of date. However, I am confident that with the help of the Disneyland website I can update myself and we can still use the tips and tricks from the Knights to have a fabulous vacation. 0 of 0 people found the following review helpful. Just ok but still recommended By CustomerPros: 1. Easy to pick up and "get comfortable" with the resorts / attractions for a first-timer. 2. Very focused on families with kids. 3. Well-written and includes a lot of helpful common-sense tips. 4. Includes other attractions like Universal Hollywood, SeaWorld, etc. Cons: 1. Very basic (which could also be a good thing since The Unofficial Guide to Disneyland 2013 (Unofficial Guides) since can be overwhelming. 2. The info is somewhat outdated. 3. Downtown Disney / Universal's CityWalk are not covered. Overall 3.5 stars, downgraded to 3 stars since info is somewhat outdated.

Your Ticket to a Magical Vacation at the Disneyland Resort Now is the perfect time to take the Southern California vacation of a lifetime. This guide helps you find all the magic at Disneyland and Disneyland's California Adventure. Also included is detailed information for all the other major theme parks in the area. You'll soon see why Southern California is a favorite destination for kids of all ages! What's inside Quick Guides for attractions, dining, and lodging to help you decide on the best places for your family. Detailed maps of the Disneyland Resort and other Southern California attractions. Tips on how to save time and money while avoiding crowds. Descriptions of rides and attractions, including age and height requirements as well as scare factors. The best times and locations to view parades, one-of-a-kind shows, and spectacular firework displays. Interesting Disneyland facts, trivia, and details, plus hints on finding Hidden Mickeys. Michael and Trisa Knight have written on a variety of subjects, including parenting and children. They and their six children enjoy visiting the Disneyland Resort and other exciting Southern California destinations.
