Fodor's : Fodor's Family New York City with Kids, 1st Edition (Travel Guide) before purchasing it in order to

gauge whether or not it would be worth my time, and all praised Fodor's Family New York City with Kids, 1st Edition (Travel Guide):

2 of 2 people found the following review helpful. Reviews are spot-on! By Assunta Sciarretta I relied on this book for a hotel recommendation, which I booked six months ago for this past weekend. The hotel (Loews Regency) was exactly as described within the book. My four kids were comfortable, the staff was great, and we had a wonderful weekend; never before have we had such luck in finding a great place to stay! The descriptions of restaurants and places to visit were spot-on, too. If you are traveling with children, this is the book about Manhattan for you! 3 of 4 people found the following review helpful. Fodor's New York City with Kids By sbears I really disliked this book and strongly encourage you to look elsewhere for a guide to NYC. I have never written a book review before but was so frustrated using this on a trip to NYC with my 10 year old son that I wanted to spare others. While the book had some good suggestions for kid oriented activities, it was almost useless as a guide to actually doing any of those activities. For example, there isn't one single map of the entire city. All maps are so broken up it is impossible to see one view of everywhere you want to go. There is no map that shows the location of the airports. There isn't a subway map!!! The index is EXTREMELY sparse which made looking up things on the fly almost impossible. I was trying to find the Museum of Natural History. Was it in the index under Natural History? - no. Under Museums? - no. I finally read through the book again and found out it is officially called the American Museum of Natural History so only appears in the index under American. This book is only helpful if you already know a whole lot about NYC and just want suggestions for activities. 1 of 1 people found the following review helpful. Helpful By G. Childers It was very helpful in planning our wonderful vacation to the Big Apple.

Fodor's. For Choice Travel Experiences. Fodor's helps you unleash the possibilities of travel by providing the insightful tools you need to experience the trips you want. While you're at the helm, Fodor's offers the assurance of our expertise, the guarantee of selectivity, and the choice details that truly define a destination. It's like having a friend in New York City! Fodor's Family New York City with Kids is a new series combining the city's best experiences, restaurants, and hotels with the age-appropriate information, tips, and ideas you need the most when visiting New York with your family. Handpicked selections by local parents cover a variety of interests and tastes, so you make the choices for a perfect trip, every time. Plan your trip to New York City more easily than ever with key information at your fingertips: Detailed maps, age-appropriateness ranges, kids admission prices, family-friendly hotel amenities, and top five lists of the very best things to see and do in every neighborhood we cover. Where can you find the best ice-cream place in SoHo? The most worthy playground in Union Square? A public bathroom in the East Village? Our Where Can I Find? charts created by local parents give you the neighborhood-by-neighborhood inside scoop. See New York City in a different way with fun Treasure Maps showing you and your family the sometimes hard-to-find spots where famous movies were shot or where real history was made. Visit Fodor's.com for more ideas and information, travel deals, vacation planning tips, reviews and to exchange travel advice with other travelers.

"In terms of comprehensiveness of coverage, the very accessible format, and the enthusiastic tone, this series remains one of the best on the market." Booklist "Fodor's super-informative guidebooks are known for accuracy and attention to detail" The Sacramento Bee "The Fodor's guides are notable for their ratings of sights, restaurants, shops, accommodations and attractions." Chicago Tribune "The great detail, infectious spirit, and attractive format are distinguishing traits of these guides, which are entries in one of the top series in the business." Booklist "Fodor's can help you plan the perfect adventure" The Arizona Republic "Always thoughtfully written and easily readable, Fodor's travel guides have become a must-have when traveling to unfamiliar destinations" Mid South Magazine "Widely recognized as the gold standard of mainstream travel" Honolulu Advertiser
