Fodor's : Fodor's Family San Francisco with Kids, 1st Edition (Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fodor's Family San Francisco with Kids, 1st Edition (Travel Guide):

She agrees with many of the locations for things to do with kids. The book is layed out well to target just what you are looking for: places to stay, where to eat, where to souvenir shop etc. Family Matters are tips to pay attention to. Very clear information is given about areas that are not kid friendly and maps it out according to age groups. Certainly, things that appeal to the youngest kiddo doesn't always translate to fun for your more discerning teen. The book is a good resource tool to carve out the kind of vacation you want...tourist sights only, a little off the beaten path or a little of both. I would recommend the book.0 of 0 people found the following review helpful. SF - kids rule!By ByzantineyGood guide
