Excellent for planning a trip, or remembering one!By DanielOf the various travel guides to the area I have consulted I particularly like this edition from Fodor's. The information is arranged in a logical way and is invaluable for planning a trip. And planning such a trip is very important even with the changes in today's society. Even for those not traveling this book can serve as a pleasant reminder of earlier visits. It deserves a place on the traveler's bookshelf.

0 of 1 people found the following review helpful. Good StartBy A CustomerThis is a great book for planning your trip, what to see, etc. It's up to date, and the maps of these old cities are impeccable. What it doesn't give you is a sense of what Russia is like these days--something hard to get into words. For that, take a look at "The Chess Artist," by Hallman. Less maps, but a real sense of how weird Russia can get.

No matter what your budget or whether it's your first trip or fifteenth, Fodor's Gold Guides get you where you want to go. In this completely up-to-date guide our experts who live in Moscow and St. Petersburg give you the inside track, showing you all the things to see and do -- from must-see sights to off-the-beaten-path adventures, from shopping to outdoor fun. Fodor's Moscow and St. Petersburg shows you hundreds of hotel and restaurant choices in all price ranges -- from budget-friendly BBs to luxury hotels, from casual eateries to the hottest new restaurants, complete with thorough reviews showing what makes each place special. The Smart Travel Tips A to Z section helps you take care of the nitty gritty with essential local contacts and great advice -- from how to take your mountain bike with you to what to do in an emergency. Plus, web links and mix-and-match itineraries make planning a snap.
