Fodor's : Fodor's Rio de Janeiro Sao Paulo, 1st Edition (Travel Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fodor's Rio de Janeiro Sao Paulo, 1st Edition (Travel Guide):

1 of 2 people found the following review helpful. Not worth it! By Bobby G. I am very disappointed with this guide book. I've spent 2 weeks in Rio and Sao Paulo and had to use other people's books! Not well organized! And there was no real recommendations such as walking tours I've seen in Lonely Planet book. Since they only have the 1st edition,

and it is printed in 2007 (I think), the info inside is fairly outdated. After looking at other guide books, I wish I had purchased either Rough Guide or Lonely Planet. 0 of 0 people found the following review helpful. Fodor's Rio de Janeiro So Paulo By Jimmy Grosse This guide was sweet and simple. Had all the main points that you'll need if visiting the area and wasn't too big and easy to keep in my pocket throughout my trip. Definitely one of the better editions I've seen.

Chock full of more maps and the most informed hotel, restaurant, shopping, and nightlife reviews, discerning travelers pack the new Fodors Rio and So Paulo 1st edition. Written by Brazilians who know secrets of their city, this brand new title is bursting with critical reviews, insider tips from locals and travelers, and not-to-be-missed side-trip suggestions.
