I was surprised Texas was not in it and almost dropped to 3 stars for that, but I realized it probably listed the states in the description and I missed it. Besides I also have the Fodor's Texas book. It is

still an interesting read and can be used on a trip. Not a lot of detail given the coverage but still probably useful. Worth what I paid, just find a deal on it. My supplier was good, some are not so much. 2 of 4 people found the following review helpful. Fodor's is a great tool in trip planning. By User I purchased this book to plan a trip to Tennessee. I always purchase Fodor's Guides when planning vacations as they always give the best lodging, dining, and sight seeing information. It's definitely worth purchasing if you want a local's view of the area you are visiting.
