**Kim Wright Wiley : Fodor's Walt Disney World with Kids 2010: with Universal Orlando and SeaWorld (Travel Guide)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fodor's Walt Disney World with Kids 2010: with Universal Orlando and SeaWorld (Travel Guide):

for last few years. I found this book very useful for planning this trip for our 2 young kids. I especially like the quick guides included that provide a scare factor, height requirement, speed of line and duration of the ride for each of the rides. This comes in handy when deciding if a ride is appropriate for a particular child or if you are trying to get a ride in just before a dinner reservation. The author gives a good description of just about every ride and also provides many good time-saving tips. There is also much, much more very useful information included. When visiting Disney you should always go with a plan otherwise you will need a vacation from your vacation. I recommend reading a book like this beforehand. It seems like the new annual version comes out every August. The 2011 version is already on for pre-order (Fodor's Walt Disney World with Kids 2011: with Universal Orlando, SeaWorld Aquatica (Special-Interest Titles)).

By LBRose  
This book was a wonderful resource for planning a trip to Disney! I really don't know what I would have done without it because it included several things I had not previously thought of, and had I not read it in the book we would have had a SERIOUS problem. The hotel and accomodation recommendations and maps were 'spot on!' I would recommend this book for any traveler with kids!

This is a Wonderful book to have if you are going to Walt Disney World with Children. It has all the information in it that you need to know. I have read several of the Disney Guides, and I must say that this one ranks among the best. It will not only save you money on your trip, but it will give you so much insight. Take it with you when you go, you will be glad you did!

"Must reading for everyone planning to bring their family."

Fodors Walt Disney World with Kids, 2010 Edition  
Entering its 20th edition, Fodors Walt Disney World with Kids delivers the definitive but always-easy-to-access advice of former Disney Magazine contributing editor Kim Wright Wiley, who has logged more than 50 visits to the parks both as a keen-eyed journalist and as a parent. Every family needs her tips and insider knowledge to make the most of a trip to Walt Disney World. Wiley not only rates attractions and rides based on their age-related suitability and scare factor but also incorporates feedback from hundreds of families who, like her, have not-so-tirelessly field tested it all. Inside readers will find:

- Everything a family needs to choose the right hotel, including driving times to the parks from each property
- Full ratings as well as quick-reference charts for the most kid-pleasing rides and restaurants
- Must-see attraction checklists geared to young kids, preteens, and teens
- Time-saving tips, such as how to avoid crowds and lines at the park
- Insider secrets and the skinny on "Hidden Mickeys"
- Cautionary tales and success stories from parents about their park experiences
- Convenient maps of Walt Disney World and Universal Studios
