time traveler to Disney (with kids). It gives great recommendations for possibly scary situations (fear factors) and also gives age recommendations. We are going for the 3rd time in 3 years and I purchased the latest edition for the new rides in Fantasyland and new maps. My only complaint would be that the colors on the maps are a bit dim... it is difficult to tell walking paths vs buildings.0 of 0 people found the following review helpful. GREAT GUIDEBy BenchedI have used this book for years. When ever we took our son to Disney I would purchase the latest edition and plan out our whole trip before we left. I just purchased this one and sent it to my nephew as he is taking his children there in the spring. The author offers many helpful suggestions and is an outstanding resource guide.0 of 0 people found the following review helpful. Quite helpfulBy Laura BuuThis book was REALLY helpfull in my first WDW experience! I'm not from US, so somethings are not as clear for me as it might be for an american citizen. It's quite well written; just the right amount of text of explanations.

Kim Wright Wiley has penned 22 editions of this book and really knows her stuff when it comes to planning an Orlando vacation and taking in the attractions at Walt Disney World, Universal Orlando, and SeaWorld. And for this edition she is once again joined by her daughter Leigh Wiley Jenkins. They combine their wit and wisdom with insights from almost 500 families to create a guide that's thoroughly updated, user-friendly, and fun. Expanded Coverage: The guide includes new hotels and restaurant menus, as well as complete coverage of the new and improved Fantasyland in the Magic Kingdom theme park. Indispensable Trip Planning Tools: Charts and star ratings make comparing hotels and restaurants a breeze. Lists grouping attractions by age group and charts with vital stats on all the amusements make picking must-see sights simple. Checklists allow planning, packing, and devising on-the-ground itineraries to go smoothly. In-the-Know Tips: This book is chock-a-block with time- and money-saving tips and insider's secrets, and every ride or venue has a scare-factor assessment. Mediagenic Author: Kim Wright Wiley is an undisputed authority on Walt Disney World. Her knowledge about every aspect of planning a Disney trip is phenomenal. Both she and her daughter Leigh Wiley Jenkins are available to appear in the media to share it. Everything Disney and Beyond: Separate chapters on Universal, Islands of Adventure, SeaWorld, and area restaurants and nightspots make all of Orlando accessible. A special cruising chapter thoroughly covers Disney ships and cruise-vacation options.
