Parke Puterbaugh, Alan Bisbort : Foghorn Outdoors California Beaches: The Best Places to Swim, Play, Eat, and Stay on the Coast before purchasing it in order to gage whether or not it would be worth my time, and all praised Foghorn Outdoors California Beaches: The Best Places to Swim, Play, Eat, and Stay on the Coast:

0 of 0 people found the following review helpful. Nice to readBy Elizabeth WilliamsTHIS is an epic product so nice to read0 of 1 people found the following review helpful. Worthwhile bookBy Joan G. ZakrzewskiWe are going to the Big Sur, but my kids want beach. This is so valuable to finding them. Get the book, very good for the money.12 of 17 people found the following review helpful. OK snapshot overviews, but not always consistentBy A CustomerI feel that the title is a misnomer. In my opinion, you go to the beach when you are south of Point Conception and you go to the coast when you are north of Point Conception.The authors' approach of listing state, local and private facilities is helpful. I would have liked geologic information - for example descriptions of bottom conditions (ie sandy, rocky etc.). However, I realize that a consistent description is geologically impossible. So, I suggest that you get the California Coastal Access Guide as a companion volume and use both to "guesstimate".Some of this book is available at the publisher's website for free. If at all possible, I suggest that you check out the commentary on the website for a beach and town that you know before purchasing this book. That will give you an idea of the the size of the grain of salt that you will need to take with the commentary. For the beaches and beach towns I know well, I come close to concurring with their opinions. However, I find many of their recommendations for food/lodging/nightlife rather rich for my taste and budget, so I'm looking elsewhere for this information.

Devoted campers, hikers, boaters, anglers, bikers, and golfers agree: Foghorn Outdoors guidebooks are essential for anyone who wants to spend less time planning and more time enjoying the outdoors. Each book is an excursion guide packed with the latest information on a variety of adventures near and far. Celebrated authors and beach experts Parke Puterbaugh and Alan Bisbort comb each coastal county in the Golden State, providing witty and opinionated facts and features on every publicly accessible stretch of sand between the Mexico and Oregon borders. California Beaches includes up-to-date directions, entrance and parking fees, hours of operation, and facilities available at nearly 400 beaches clever, fact-filled essays on beach life and other California-related topics, the latest lodging options -- from five-star seaside resorts to secluded beach campgrounds, the best in coastal cuisine and nightspots from surf bars to gourmet restaurants, and easy-to-use maps and an extensive index.
