Michael Lanza : Foghorn Outdoors New England Hiking: The Complete Guide to More Than 380 Hikes before purchasing it in order to gauge whether or not it would be worth my time, and all praised Foghorn Outdoors New England Hiking: The Complete Guide to More Than 380 Hikes:

8 of 8 people found the following review helpful. Excellent hiking guide!
By Michael A. Davis
This is an excellent hiking guide to New England and pretty exhaustive as well, especially in the White Mountains region. The book is very well organized and Mr. Lanza has a simple but ingenious rating system for both the scenic beauty and trail difficulty, both rated 1 - 10. So, you can pick how much work you're willing to exert for the visual return on your effort. The trail descriptions are quite good and driving directions are included. No maps are included but each trail description references appropriate maps and other information sources. Mr. Lanza is well written in this field and is a regular contributor to Backpacker Magazine.
0 of 0 people found the following review helpful. Thorough and essential guide
By Lauren Comeau
This guide was extremely helpful during our recent vacation in the White Mountains. The driving directions are precise, and the descriptions of the hikes were all accurate. We were very pleased with the quality of the hikes we picked from this book. The hikes are organized geographically, so it's easy to find a hike in your area. Although the hikes are rated by difficulty and scenic quality, the book does not include a list sorted by difficulty, which would be useful.
1 of 1 people found the following review helpful. Only New England Hiking book to buy
By RwaD
This book is packed with great routes, descriptions and easy to use (and trustworthy) hike ratings. Better than many other books I looked at. I always recommend this to my friends.

Covering every worthwhile destination in the six New England states, this is the hiker's guide to finding the best spots in Maine, Vermont, New Hampshire, Massachusetts, Connecticut, and Rhode Island. This guidebook includes coverage of New Hampshire's White Mountains, Maine's Acadia National Park and Baxter State Park, and Vermont's Long Trail. With new sections listing the best hikes for every kind of outdoor enthusiast from best waterfalls to best hikes with kids families, day-trippers, and seasoned hikers looking for a change of pace will all find the perfect trail among the options selected by hiker and outdoor expert Michael Lanza. Foghorn Outdoors New England Hiking has the details on the best New England hiking available.

"Meticulously researched and smartly written, Foghorn Outdoors offers some of the best recreation guides around. The books provide exceptionally reliable information on each location and activity, while emphasizing sensible, low-impact enjoyment of the outdoors."
