When I got the book I looked through it and all the information you need to know if the your going on a hike to fit your personal needs is there. It includes distance of hike, legth of time it takes an average hiker to complete the hike and even scenery types and sights to look for. Very informative and helpful guide!!!!0 of 0 people found the following review helpful. Still the best after all these yearsBy TacomaKidStill after all these years the most comprehensive book out there. Just make sure to look at online update of your trail before heading out.0 of 1 people found the following review helpful. Five StarsBy Jonathan EllingerThis is THE GUIDE for the Northwest!
