**Dr. Ramy Degany : Following The Footsteps Of Jesus** before purchasing it in order to gage whether or not it would be worth my time, and all praised Following The Footsteps Of Jesus:

Superior quality album tracing the footsteps of Jesus in the holy land. The editor of the album is the number one Israeli expert in the subject of Christianity. The album contains more than 150 color photographs, maps and quotations from the old and New Testament describing each holly. The size of the album is 23X23 cm and it consists of 189 pages. The album received the pope's blessing

From the Publisher Following the footsteps of Jesus is a most beautiful, comprehensive album. The album presents over 150 photographs of every location in the holy land that is associated with Jesus, accompanied by the appropriate verses from the New Testament, explanatory notes, and maps of the various regions where the fascinating events took place. Each of the photographs is a work of art by Bouky Boaz, one of the Israeli leading landscape photographers. The explanations have been provided by Dr. Rami Dega About the Authora scholar whose field of specialization is the new testament
