Mark Bittman, James Oseland, Lonely Planet, Austin Bush : Food Lover's Guide to the World: Experience the Great Global Cuisines (Lonely Planet) before purchasing it in order to gage whether or not it would be worth my time, and all praised Food Lover's Guide to the World: Experience the Great Global Cuisines (Lonely Planet):

2 of 2 people found the following review helpful. Gave as a giftBy lchapkoI got this as a gift for my boyfriends brother, he works for an airline and has free flight benefits so he travels a lot. He often travels alone and is looking for good places to eat in different countries, this is a great idea for any traveler. Down side is that this book is really big, it looks like a college text book.1 of 1 people found the following review helpful. It was a giftBy JouetcatI bought this for my son and his French wife who live in France. He recently visited me and mentioned that he had really enjoyed the book...the photos were wonderful. Now he is going to try some of the recipes, said they sounded wonderful! My gift was a hit!0 of 0 people found the following review helpful. Gift recipient loved it!By Andrea MachnikI gave "Food Lover's Guide to the World" as a Christmas present and the person who received it was very pleased with the gift. He liked that it was from "Lonely Planet", and said he was looking forward to reading/using it!

It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' - Fairfax Media (Australia) *#1 in the world market share - source: Nielsen Bookscan. Australia, UK and USA. March 2012-January 2013

"Food Lover's Guide to the World ranges from Thailand to Finland, from street food to haute cuisine. Its descriptions and photos are so mouth-wateringly attractive that you probably shouldn't send a copy to your uncle,the Trappist monk. He'll straightaway jump the wall and hike into town for a triple cheeseburger and fries." (Perceptive Travel)"The photos are as tantalizing as the descriptions." (Every Day with Rachael Ray)"Yet it's a must-have for anyone who pesters locals for restaurant ideas, pokes around food markets or buys dumpling ladles as souvenirs. A terrific resource before you travel, it also has enough recipes - from Spain's simple egg-potato tortilla to India's complex Hyderabadibiryani and Denmark's sweet flodeboller - to keep cooks happy." (Chicago Tribune 2013-02-04)"The blend of in-depth history and culture and observations of worldwide food specialties and trends makes this a 'must' for culinary and travel holdings alike!" (Midwest Book)"You'll lick your chops as you flip the pages of Food Lover's Guide to the World..." (Passport Magazine)"In the lavishly illustrated pages of this coffee-table tome, you'll find food and drink from a host of countries, recipes (pork vindaloo from India, bibimap from South Korea) and explanations of local foods unique to those places." (Los Angeles Times 2012-12-16)"This movable feast packs a dizzying array of personal stories by celebrity writers and chefs (i.e. Mark Bittman, Eric Ripert), travel notes, restaurant reviews, festival calendars, sumptuous and spontaneous photos. The armchair traveler in me visited Paris through its cheeses, Mumbai through its street food, Bangkok through its curry. Suits me; I travel to eat." (Minneapolis Star Tribune 2012-12-05)"This is a book that begs to be savored page after delicious page... This book will have you salivating as pages and cultures unfold, and will have you planning your next great culinary escape in no time." (Wicked Good Travel Tips 2012-12-04)
