Ben Box, Stephen Frankham : Footprint Cusco Inca Trail (2e (Footprint Cuzco the Inca Heartland Handbook)

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Footprint Cusco Inca Trail (2e (Footprint Cuzco the Inca Heartland Handbook):

Extensive coverage of Machu Picchu and other Inca sites including Choquequirao, the latest details on the ins and outs of the Inca Trail and full coverage of all the festivals and holidays are all covered. Special features on adventure travel including kayaking, rafting and trekking are included plus lively listings on where to stay, eat, drink and party.
