**Christina Henry de Tessan : Forever Paris: 25 Walks in the Footsteps of Chanel, Hemingway, Picasso, and More** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Forever Paris: 25 Walks in the Footsteps of Chanel, Hemingway, Picasso, and More:

57 of 59 people found the following review helpful. Great little Paris Companion By Mark Norman On a recent six day trip to Paris we found this slim little volume to be a wonderful guide to some memorable walks. The directions were clear, the maps well laid out, and the accompanying text is concise enough to read while on the walk. There are many books with walks, and we had them all including Rick Steves and the Knopf city guide, but we kept going back to this

book. Highly recommended. 30 of 30 people found the following review helpful. Excellent helpfulBy M. M. Thomas  
This is a terrific book written by a smart, literate young woman who really knows Paris and how to see it. 3 of 3 people found the following review helpful. Dream Walks in Paris - Go There By ReadingBy alabasterchambers  
Perfect strolls about Paris which will be a treat to those who have been and those who plan to go - full of insights about French celebrities of generations past. Good clear maps, charming anecdotes about all sorts of people from various walks of life who traversed these boulevards, ate in these cafes (many still open for business), mourned or were mourned in such grand houses of worship. A book definitely for those who love Paris, not to be missed. My only fault with it, if you could call it that, is that it lacks the birth and death years of each celeb, so I made my own list to paste inside the cover (i.e., Matisse 1869 - 1954) - a sense of time helps while reading the biographies. I also made another list of cafes so I don't walk past them unawares on future jaunts. Ah, Paris!

Take a stroll through dith Piaf's Belleville, dine at Napolon's favorite restaurant, and explore the late-night haunts of Ernest Hemingway, Josephine Baker, and Pablo Picasso. From the author of the best-selling City Walks: Paris deck, this lively collection of walking adventures follows in the footsteps of more than 25 of the city's iconic former residents. Throughout, Paris is seen from the intimate vantage point of those who loved it best, from the bars where authors penned classic works to the markets and patisseries where food lovers indulged. Including photos and full-color maps throughout, each walk in this book guides visitors and locals through the city that inspired some of the world's most famous artists, writers, chefs, musicians, politicians, and more.

"If you are lucky enough to have a trip to Paris in your travel plans this year, Christina Henry de Tesson's "Forever Paris" is a petite book you might want to tuck into your carry-on bag." San Diego Union-Tribune  
About the Author  
Christina Henry de Tesson is the editor-at-large of the City Walks series, and the author of several travel books and decks on cities including Paris, London, and New York. She lives in Portland, Oregon.
