**Lloyd Wilson : Four Ancient Lands - Iran, Armenia, Georgia, Azerbaijan** before purchasing it in order to gage whether or not it would be worth my time, and all praised Four Ancient Lands - Iran, Armenia, Georgia, Azerbaijan:

This was a journey across a diverse social,economic and physical landscape. It encountered people who had suffered every imaginable iniquity and still survived. The single beacon was the strength of the human spirit and the inability of

those who thirst for power to extinguish that burning light.
