**National Geographic Maps - Adventure : France (National Geographic Adventure Map)** before purchasing it in order to gage whether or not it would be worth my time, and all praised France (National Geographic Adventure Map):

1 of 1 people found the following review helpful. National Geographic - in my mind = quality in all ...By WordloverNational Geographic - in my mind = quality in all they put out for the general populace. I looked at several maps (Michelin and others) and this map was by far, for me, the clearest. For die-hard Michelin followers, give this one a try.0 of 0 people found the following review helpful. A great map!By Jorge GomezThe maps arrived very quickly. Quality of paper is excellent. Will accompany me during my upcoming trip to France!1 of 1 people found the following review helpful. Two-sided mapBy readsforknowledgeWe were disappointed that this is a two-sided map. It's in the description, but we missed it. We wanted to be able to see the whole country at one time for planning. Also, quite a lot of space covers bordering countries, more than we needed. The quality of the paper is great.

Waterproof Tear-Resistant Travel MapWith some of the world's most renowned museums, the French Riviera and Alps, picturesque rural areas and the iconic Eiffel Tower, France is the world's most popular tourist destination. Designed for all global adventurers, National Geographic's France Adventure Map is an invaluable tool for first-time excursionists and experienced trekkers alike. Find your destination in the user-friendly city and town index, then navigate the country by the mapped road network showing motorways, highways and others roadways, labeled with distance markers. Other transportation aids include airports, airfields, railroads, border crossing and ferry routes, including the multiple routes across the English Channel and Mediterranean Sea.Hundreds of pinpointed diverse and unique recreational, ecological, cultural, and historic destinations, make this expertly researched map the perfect complement to National Geographic's France Traveler's Guide or any other guidebook to the area. Some of the specialized content includes archeological sites, churches, monasteries, castles and castle ruins and tens of World Heritage Sites that are scattered throughout the country. The map covers France in its entirety, the Channel Islands and southern U.K., the city of Monaco and parts of the bordering countries of Spain, Italy, Switzerland, Germany, Luxembourg and Belgium. The island of Corsica is covered by an inset map.Every Adventure Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of international travel.Map Scale = 1:1,100,000Sheet Size = 37.75" x 25.5"Folded Size = 4.25" x 9.25"

About the AuthorFounded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking.Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
