Sturdy laminated card but I wish it was not quite so tall.4 of 4 people found the following review helpful. usefulBy CustomerI love the language map series! We have them in Spanish, Chinese, Italian and French. Although some complain that they are too tall, we just throw them in our daypacks. They are laminated and very sturdy. Provide basic "necessity" vocabulary. You can even point to the line in English and show it to someone -- especially useful if you don't know the language at all.0 of 0 people found the following review helpful. Great toolBy CO NsThis is a quick, easy tool to use for learning French. If you have some knowledge of French and want a refresher or want to get a start on learning French this is a great start!
