No mention of wifi or computer business center in hotels.Comprehensive vocabulary for city touring not so great for use in the countryside.1 of 1 people found the following review helpful. Excellent tool for refreshing your language skillsBy Maria Del C. MartinezI'm planning a trip to France and needed to brush up on my long unused college French ; because I had purchased Italian at a Glance and found it very helpful I tried the French version and I'm pleased! It's very well organized which makes it extremely easy to handle. It's a very effective,condensed,comprehensive review of all the basics needed to handle the language and help you get around.

Designed primarily for international business and vacation travelers, this language phrasebook presents more than 1,500 words and expressions in both English and French. Phrases are the kind to help travelers make themselves understood in hotels, airports, train stations, restaurants, shops, and other places they are likely to visit as tourists or international business travelers. All of the newly revised At a Glance phrasebooks have useful city maps, updated information on train systems and timetables, availability of ATMs and faxes in major foreign cities and towns, and of course, countless helpful words and phrases in both languages.

Language NotesText: English, French
