National Geographic Maps - Trails Illustrated : French Broad and Nolichucky Rivers [Cherokee and Pisgah National Forests] (National Geographic Trails Illustrated Map) before purchasing it in order to gage whether or not it would be worth my time, and all praised French Broad and Nolichucky Rivers [Cherokee and Pisgah National

Forests] (National Geographic Trails Illustrated Map):

0 of 0 people found the following review helpful. Just what I orderedBy CustomerGood buy. Thanks0 of 0 people found the following review helpful. Five StarsBy Davegreat map series1 of 1 people found the following review helpful. AwesomeBy Avid ReaderI couldn't be happier with the product. As always, Nat. Geo. delivers. I am slowly collecting all of their maps. Highly recommended

Waterproof Tear-Resistant Topographic MapOutdoor enthusiasts seeking to explore the western parts of Cherokee and Pisgah National Forests will find National Geographic's Trails Illustrated map of French Broad and Nolichucky Rivers a complete guide to the area. Expertly researched and created in partnership with the National Park Service and others, the map covers with unmatched detail the two forests from their western boundaries to the Tennessee/North Carolina border. Key points of interests featured on the map include Sampson Mountains Wilderness, Paint Creek Corridor and Bald Mountains. Displayed on the map are activity guides listing recreation features, to help you select the best location according to your area of interest. Additionally, trail guides, listing trails with their mileage, difficulty level and designated use, will help you select the best route for exploration. Trails on the map are color-coded according to the designated usage, whether you wish to explore foot, horseback, bike, or motorized vehicle. The Appalachian Trail that snakes through the area is highlighted. The detailed map topography includes contour lines, elevations and water features. Some of the many recreation features shown are campgrounds and backcountry shelters, wildlife and wildflower viewing areas, scenic overlooks and lookout towers, fishing areas, shooting ranges, river access points and swimming areas. Also included are safety tips, including bear safety, share the trail rules and essential contact information. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation. Other features found on this map include: Bald Mountains, Cherokee National Forest, Great Smoky Mountains, Greeneville, Nolichucky River, Old Black, Pisgah National Forest, Tusculum College, Walnut Mountains. Map Scale = 1:63,360 Sheet Size = 25.5" x 37.75" Folded Size = 4.25" x 9.25"

About the AuthorFounded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
