I feel like a complete dummy nowBy RussI believed I was buying the hard copy for the French For Dummies Book on CD course. To my surprise these two versions of French for Dummies are completely different. Then later I discovered yet a third version of this French of Dummies which was a 3 DVD set that again was different from the other two. Anyway, I feel like a complete dummy now.0 of 0 people found the following review helpful. Helps for simple phrases. Easy to follow and learn from.By BlisseaHelps for simple phrases.
