It covers a wide range of verbs, and also introduces some useful vocabulary and other grammar points.12 of 12 people found the following review helpful. great shortsBy Scout444Very thorough. Well written. Hopefully there will be a part II to this book. It seems to be better than many of my other books.7 of 7 people found the following review helpful. I love it!By sharonI got this book 2 weeks ago, and I can say that its wonderful and pleasure to learn and to practice with this book! I'm really recommend to learn with it.

This all-new workbook makes a fine textbook supplement for high school and college-level French courses. It focuses on French verbs and their correct usage within the context of written sentences and spoken dialogue. Verbs are presented with fundamental conjugation information and illustrative examples in spoken and written French. The exemplary verb forms are presented in a second color to help students understand the verb formation process. Learning features include grammar tips, crossword puzzles, notes on verb usage, and much more.
