Good Product With Good Information By Jannykl Easy to use and the drives we took following this guide were excellent! 0 of 0 people found the following review helpful. Good travel guide By BellaFoto I am traveling to Italy soon and found this to be very helpful in deciding how and where to drive. I understand there are many different drives that are all lovely, but this book was able to help me plan where to go in the region I have lodging. I'm glad I have it to refer to. 4 of 4 people found the following review helpful. Frommer's 25 Great Drives in Tuscany Umbria By Dona M. Wylie This book was very helpful for exploring a beautiful part of Italy. We especially loved the descriptive write-ups of places to see and things to do. Would use this again.
