(Best Loved Driving Tours):

3 of 3 people found the following review helpful. QualityBy Big D JorieThis is a beautiful book. Well made for travel and quality paper. It breaks driving tours down in areas and sections of GB. Many suggestions that will launch you on your way. Highlights of here and there without a lots and lots of details but, if you find yourself going in a direction of a particular area or region...you might like to open to those pages and see what's around you.0 of 0 people found the following review helpful.
